LEADERSHIP EXCELLENCE AWARD

Leaders are everywhere

The ISC Leadership Excellence Award recognizes outstanding leadership at all levels in this organization. It's not about a title -- it's a person who leads the way and gets the right results. This is our opportunity to highlight individuals who have achieved exceptional results by demonstrating **How We Work** in 2017.

WHO IS ELIGIBLE?

All current Salaried employees and Technicians and support team members (M2 and below).

- Must have at least two years of employment with MillerCoors
- Must have three performance cycles with a "successful performance" or higher
- Must not have received the ISC Leadership Excellence Award within the last two years

Nominate an outstanding leader today!

The nomination form and other information is available on The Tap Room — just put in "Leadership Excellence" in the search box.

Winners will be recognized at the ISC Meeting at the MillerCoors Distributor Convention in March in Austin, TX!

If you have any questions, please contact Este Wolf.
